

## CAST BRONZE

in- & outdoor | frost-proof | incl. cast-bronze stem

Limited edition made in India in 900 years old tradition of the bell makers for the first Christian Churches in India. Bronze contains 88% copper and 12% tin approx. Copper is a precious metal, its price fluctuates according to world-market prices (like gold or silver). Price corrections according to world-market prices of precious metals are possible.
